

AMEOBA MAT - DAM

The Ameoba Mat has an anti-slip ribbed surface one side and a flat cloth impression pattern on the reverse. The multipurpose ameoba mat is widely use in and around entrance ways, door lift doors, lift doors, stair, escalator aprons, ramps and more. The ameoba mat castellated rubber matting flutes act as a scraper to trap dirt and debris. Anti Skid property makes it ideal to use indoor as well as outdoor and creates sustainable environment.

DAM Ameoba Mat
